SAUGUS HIGH
1977
TONTOQUONIAN

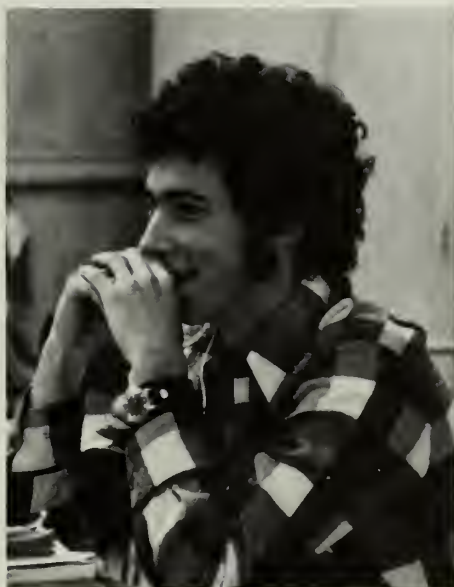

Let us, then, be up and doing
with a heart for any fate;
still achieving, still pursuing,
learning to labor and to wait.

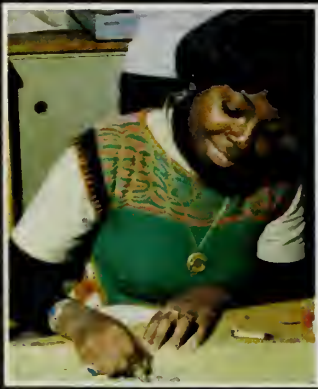

As students,
we learn about life,
about others,
and most of all,
about ourselves.

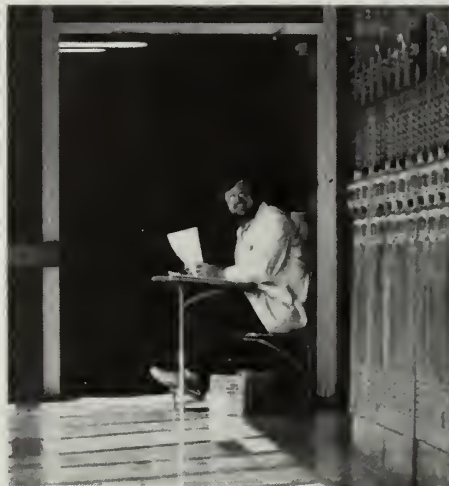

We are the builders of the future.
by using the light of knowledge
and past experience to guide us,
our dreams and aspirations
will be the tools with which
we can create a better world.

Today,
time has stopped.
A minute is still a minute
an hour is still an hour.
And yet,
the past and the future
hang in perfect balance —
all focused on the present.
— Leonard Nimoy

There's no time
like the present
to reach out —
take someone's hand.

There is love and laughter
waiting just around the bend —

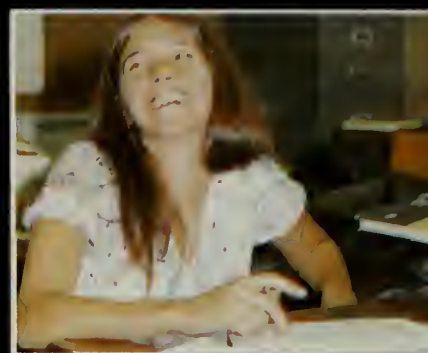

And the only way
to get there
is to go with a friend.
— Dean Wally ¹³

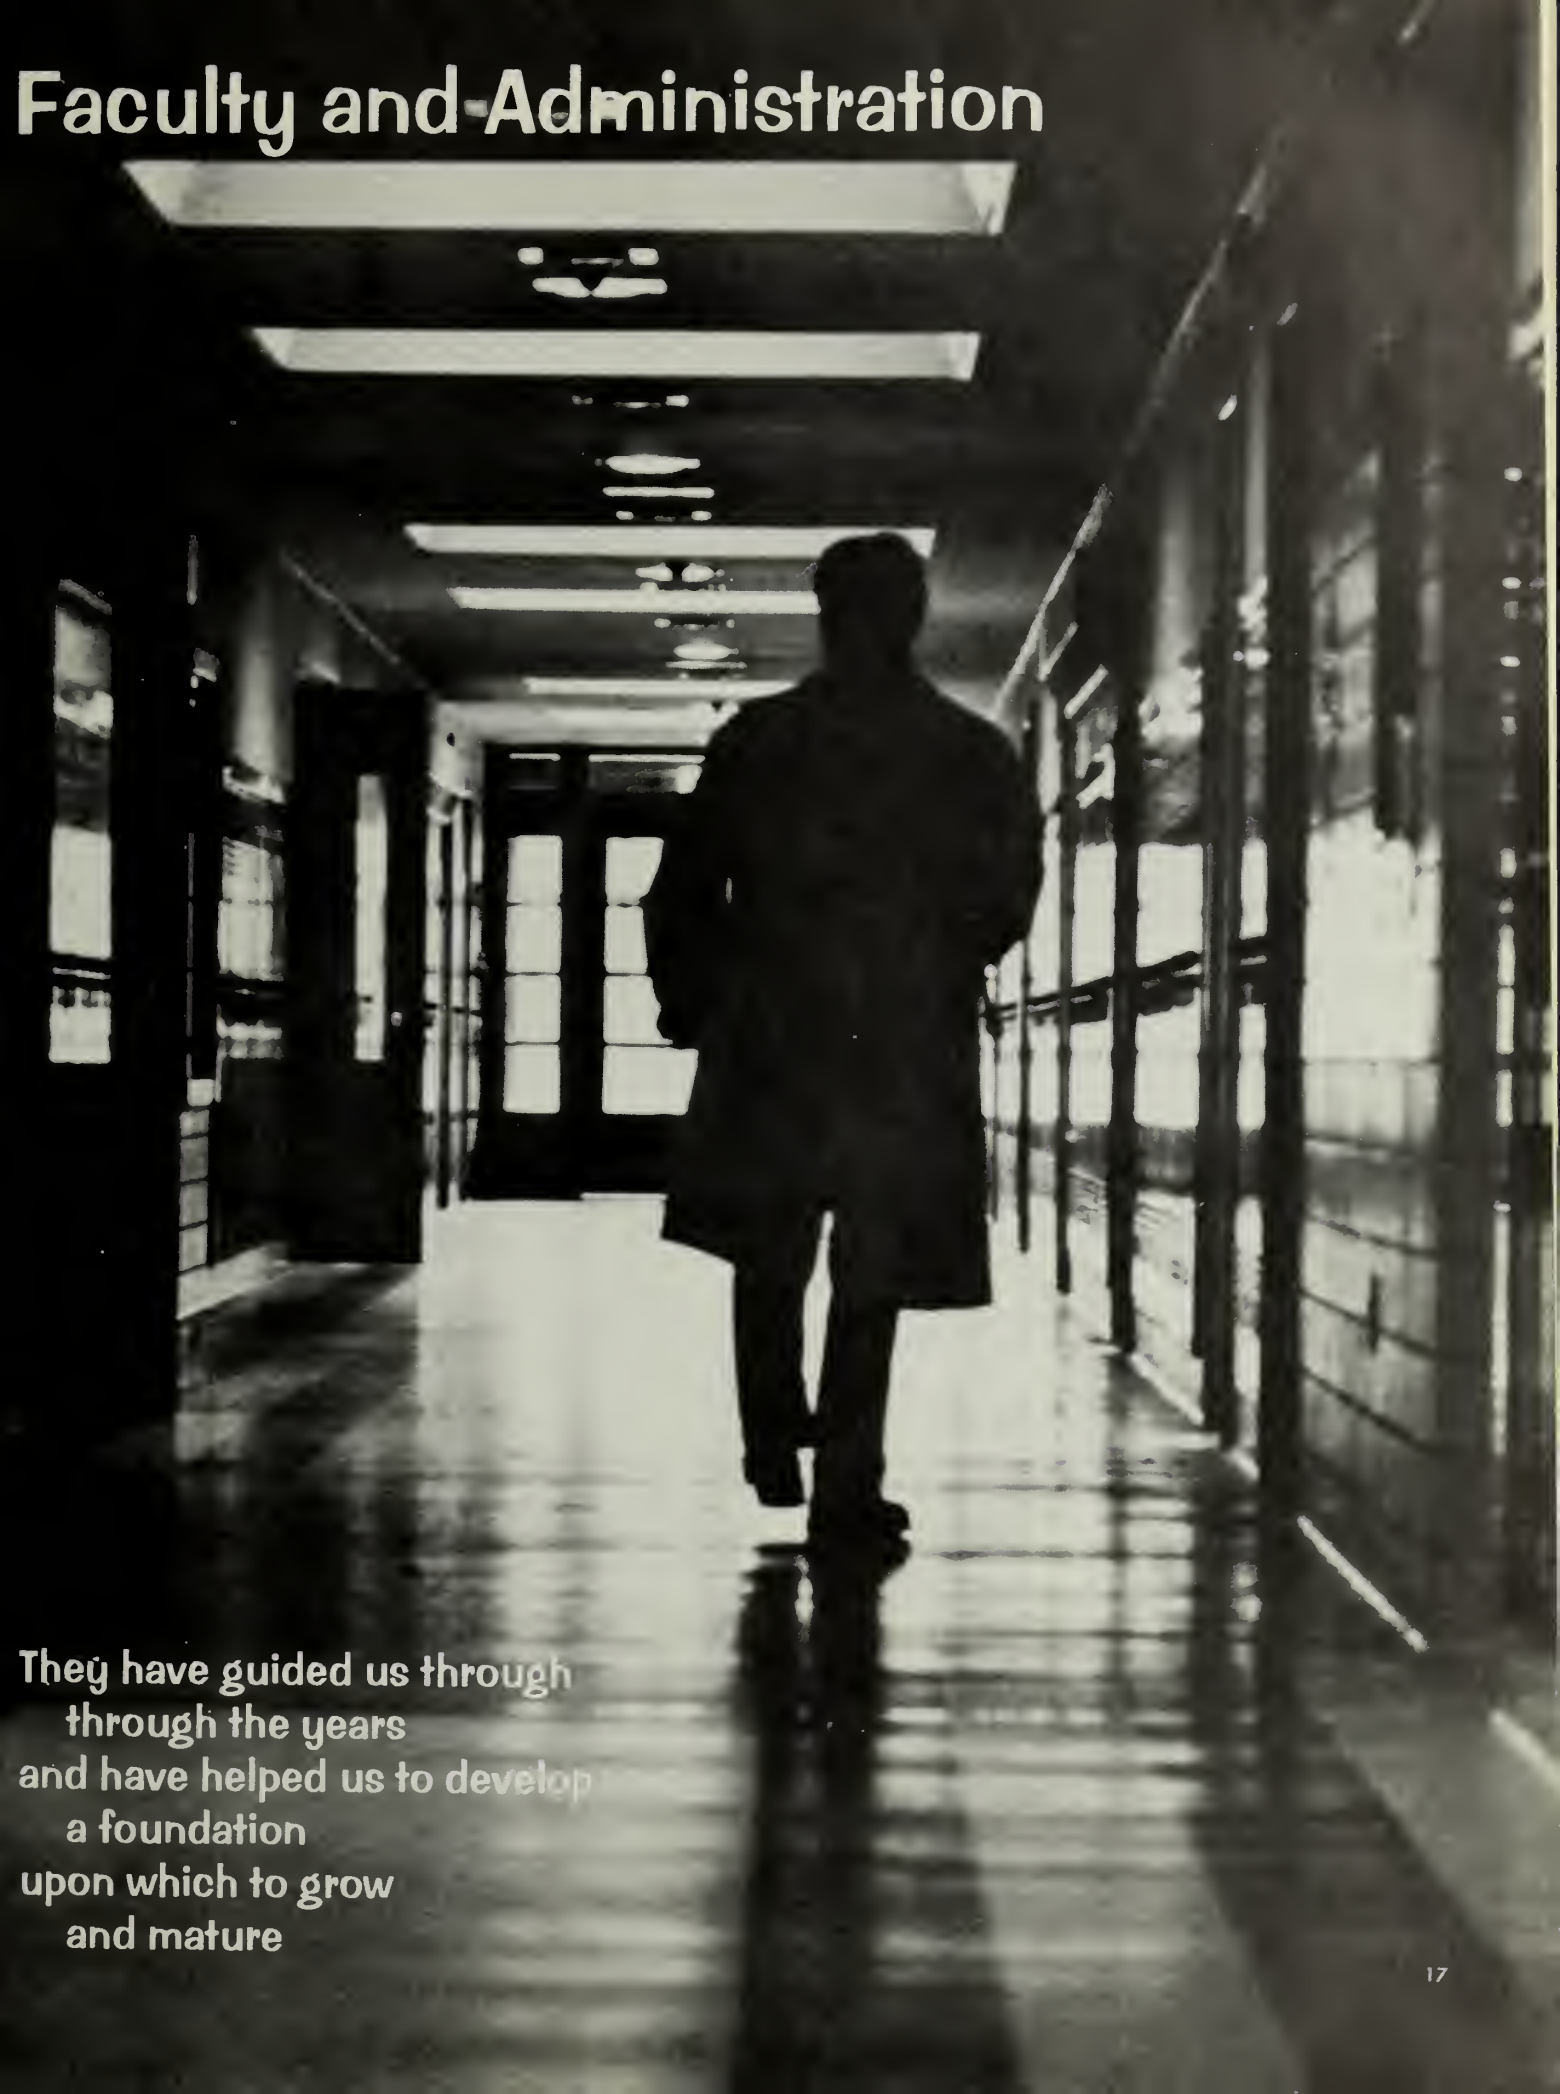

Go forward, straight ahead,
there are no limits on your life
but those barricades you'll
build yourself.
Rod McKuen

Faculty and Administration

They have guided us through
through the years
and have helped us to develop
a foundation
upon which to grow
and mature

The 1976 season had not yet begun but already the Sachems were classified as the underdog against many teams due to numerous injuries. Captains Mark Calhoun and Pat Sullivan - both valuable players - were lost to injuries - as were many other players during various games during the Season.

With many returning players injured, many underclassmen were forced to positions without much experience, but show much promise for the 1977 football season. The record of the team does not show the hard work and endurance each Sachem put into every game.

Other seniors of the team were: quarterback Jay LeBranti, John Carlson, Andrew DeLeary, Keith Conant, Jake O'Hearn, Joe O'Neil, Craig Warren, Ted Ferretti, Dave DiCenso and Pat Barb.

Seniors who were on the team were: Cliff Michaelson, Bob McDonald, Gary Austin, Paul Dancewitz, Bob Stewart, John Rappoli, Bill Lindquist, Joe Carbonello, Geoff Wood and Steve Duplisea. Juniors Mike Jensen and Matt Wall are promising players that will help to build a fine 1977 team.

The 1976-1977 Hockey Season looked as though it was going to be a successful one for the Sachems after a victorious jamboree over Swampscott and a victory over Danvers in their first game. However, the Sachems were in for a series of heartbreaking defeats. Coming on strong in the first two periods of play - the Sachems fell to defeat in a disappointing third period against a strong Winthrop team. The Sachems fought hard - and came out with victories against Classical, Salem, Swampscott, and Gloucester - tying 4 other games.

Bob Gaudet led the team's defense, playing consistently well in goal. Captain Scott Whittredge - although out due to injuries for a few games - was an important factor offensively as well as being a high scorer. Other higher scores were Bob Stewart and sophomore Paul Nigro.

Other seniors contributing to the team effort were Paul Dancewicz, Joe Carbone, Ron Hussey, Rick Kasabuski, Tim Nicholson.

Way Over Yonder

Way over yonder is a place that I know
Where I can find shelter from hunger and cold.
And the sweet tasting good life is easily found
Way over yonder — that's where I'm bound.
I know when I get there, the first thing I'll see
Is the sun shining golden — shining right down on me.
Then troubles gonna lose me — worry leave me behind
And I'll stand up proudly, in true peace of mind.
Way over yonder is a place that I've seen
In a garden of wisdom, from some long ago dream.
Maybe tomorrow I'll find my way
To the land where the honey runs in rivers each day.
And the sweet tasting good life is so easily found —
Way over yonder — that's where I'm bound.
